## *Free Lifetime Warranty on brakes*

### *Terms and conditions*

Subject to the exclusions within this clause, a lifetime guarantee is offered on all brake pads and shoes, and free replacement to the value of £200 inc vat will be available for as long as you own the vehicle.

Additionally, we will guarantee all other new brake parts fitted, including labour for the first 12 months after fitment or the first 12,000 miles (whichever comes first) conditional upon your continued ownership of the vehicle. Heathcote Auto Services will dismantle and repair or replace at its discretion any defective parts and reassemble them on your vehicle free of charge, subject to these guarantee conditions.

Before any work can be carried out under guarantee, Heathcote Auto Services will conduct a full inspection report. This guarantee will not be offered and will not subsequently apply if you do not authorise the fitting of all additional parts considered necessary for replacement to restore your braking system to its proper working condition.

Company vehicles, hire vehicles, taxis and vehicles for commercial purposes or motorsports are not covered. Vehicles fitted with inboard braking systems and/or handbrake pads and shoes are excluded from the lifetime guarantee.

2. This offer only applies to vehicles that carry out a mileage of no more than 12,000 miles a year.
